Messrs. S. H. & H. Chapman

Dear Sirs:-

I received Catalogue with thanks, and I have looked over it, and selected a few coins. I enclose the bids, hoping you may receive them in time for sale.

You ask for referances. well I do not know of many that you know. (But Mr Barton) if I could see him he would recommend me. I have bought of Mr Low and as soon as I was successfull with my bids at a sale, he advised at once, and I remitted the money without delay. I would do the same with you, if I should be successfull in these bids. I am not as well up in values of coins as I would like

you might send me a priced Catalogue at close of sale. that I may know what coins fetch at such sales. I would like to get a Gold and silver Catalogue of 1893 [Scotts] If you know of one reasonable you might let me know stating price

I remain yours truly
R. Jocelyn

Dear Sirs

I am this evening in receipt of coins, sent by you as per bids, on the coins of the sale of July 7th & 8th that I sent you. I received your card advising to raise bids, But not in time for you to get an answer. However I did not get all the coins I desired but I am very well satisfied with what I did get. except the [Eagle cents] 447 you quote uncirculated strong even impression. The letter S. at the end of Business is not discernable at all, and the coin [submitted] instead of 448 is hardly as good as I would expect. However I will keep it. and if I should send in any bids at any time again. I would rather that you

should not send coins on approval thanking you all the same for sending this one, for 448.
You will please find enclosed Express money order for the sum of Fifteen Dollars & five cents the amount of bill. I have only had the coins three hours before remitting as I told you I would be prompt. I have not as yet received Catalogue But I expect you sent it later. You might send receipt that I may know that you get the order all right.

I remain Yours truly
